

A diagram showing a grid of dashed light blue lines. Green squares are located at the intersections of these lines. Two rectangles are highlighted with solid black borders. The bottom-left rectangle contains the text "i am foo" and has blue squares at its corners, red dots on its top and bottom edges, and magenta dots on its left and right edges. The top-right rectangle contains the text "i am bar" and has blue squares at its corners, red dots on its top and bottom edges, and magenta dots on its left and right edges. In the center of the grid, there is a cluster of points: a 3x3 grid of red dots with blue squares at the corners, and a 3x3 grid of magenta dots with blue squares at the corners. A small red square is located between the two main rectangles.

i am foo

i am bar
